Data protection
The information you provide on this form will be used by Euromoney Institutional Investor PLC and its group companies ("we" or "us") to process your order and/or deliver relevant products/services and content. We may also monitor your use of our website(s), including information you post and actions you take, to improve our services to you and track compliance with our terms of use. Except to the extent you indicate your objection below, we may also use your data (including data obtained from monitoring) (a) to keep you informed of our products and services; (b) occasionally to allow companies outside our group to contact you with details of their products/services; or (c) for our journalists to contact you for research purposes. As an

international group, we may transfer your data on a global basis for the purposes indicated above, including to countries which may not provide the same level of protection to personal data as within the European Union. By submitting your details, you will be indicating your consent to the use of your data as identified above. Further information on our use of your personal data is set out in our privacy policy, which is available at www.euromoneyplc.com or can be provided to you separately upon request.
If you object to contact as identified above by telephone fax or email or post , please tick the relevant box. If you do not want us to share your information with our journalists or other companies please tick the relevant box.

Cancellation policy
If any registered delegate cannot attend our course, a replacement is always welcome for the course. Cancellations must be made in writing (letter or fax) with Euromoney Training's acknowledgement. Written cancellations must reach this office 30 days before the programme commences. A full refund less an administration charge of US\$150 will be given. For any written cancellation requests that reach us less than 30 days before the event, no refunds will be given. However, if you wish to attend another Euromoney Training course in the Asia-Pacific region, a 75% discount voucher which values not more than 75% of the initial payment will be issued. Please note that the subsequent course must take place

within 1 year of the initial registration. Discount vouchers are transferable within the same organisation, but not to be used in conjunction with any other discount schemes. Discount vouchers will not be issued for no-shows without cancellation. Euromoney Training reserves the right to the final decision if any dispute arises.
Incorrect mailing
Please accept our apologies for mail which is incorrectly addressed. Should you wish to amend the address/addressee details, please send or fax us a copy of the relevant mailing label (on the envelope or brochure) and we will update our records accordingly.

Who we are

ABOUT US
Euromoney Training courses are designed for ambitious professionals who wish to gain practical skills-based knowledge. With offices located in Asia, Europe and the USA and as part of global media group, Euromoney Institutional Investor PLC, we are in the perfect position to provide you with relevant, up-to-date and international expertise. With an extensive range of financial, legal and audit training courses we have met the training needs of over 100,000 market professionals globally.

COURSE DIRECTORS
Our courses are designed and taught by leading industry professionals, who are still practicing in their field of expertise. This means you can be assured of gaining relevant, up-to-date, 'best practice' skills that will be immediately applicable on your return to your workplace. Please see the individual course brochures on our website for more information on our Course Directors.

METHODOLOGY
Our courses use a combination of theory and practical exercises, and are intensive and highly interactive. The training course will include the following teaching methods, where applicable, to ensure delegates will see an immediate improvement in their professional abilities:

- Practical and interactive exercises, using real-life case studies
- Group work, presentations and discussions
- Computer simulations, modelling and financial calculators are used where applicable
- Pre-course material
- Industry expert speakers
- Post-course support
- Course material to keep as a reference

WHO SHOULD ATTEND?
Euromoney courses are designed specifically for finance, legal and audit professionals and range from basic, to intermediate, advanced and specialist level. Speak with our client liaison team to check your suitability for a course, or visit the website to download the full agenda at: www.euromoneytraining.com/asia2012

CONTINUING PROFESSIONAL DEVELOPMENT

You may use your attendance at courses held by Euromoney Legal Training to qualify for CPD points with The Law Society of Hong Kong. If you wish to claim CPD Hours for your registered course, please inform us of this upon registration and **pay one month in advance** in order for your CPD application to be processed. For further information on CPD accreditation please email us on calendar@euromoneyasia.com

IN-HOUSE
In-house training is an efficient and cost effective way to ensure that your employees are equipped with the knowledge and skills needed to make a real impact in your organisation. Training can be arranged for anything from small groups to entire divisions and will take place at a time chosen by and convenient to you.
