This 10 day exclusive course features 7 highly interactive workshops which are individually bookable:

- Advanced Project Finance Workshop (days 1-3)
- Oil & Gas / LNG Project Finance (day 4)
- Power Project Finance (day 5)
- Infrastructure Project Finance (day 6)
- Mining Project Finance (day 7)
- Project Finance Risk / Recovery (day 8)
- Building Project Finance Models (days 9 and 10)

With a large spectrum of project finance related modules available to choose from, this is definitely an excellent opportunity for you to refresh your skills and also an ideal platform to network with delegates from the world's leading banks and financial institutions.
